

# **KEY FEATURES**

### Signalling

- Private Line™
- 5-tone selective signalling

#### Easy to use and set-up

- Intuitive menu-driven user interface
- Full keypad
- 4 line 14 character alphanumeric display
- Programmable buttons
- PC programmable\*

### Adaptable and versatile

- Option board capability allows additional features and customer-specific functions\*
- Easily programmed in the field to support additional features
- Data capability allows interface to third party terminals to enhance communications

### **Protecting users**

- Emergency signalling
- Lone worker
- External alarm

### Quality

- MIL Spec 810 compliant
- Meets IP54 environmental standards
- Passed Motorola Accelerated Life Test
- X-Pand™ voice compression technology

#### **Efficiency**

- · Channel scanning
- Call forwarding
- Status calls
- Car radio mute
- Memory channel
- Voice operated transmit (VOX)

#### Included as standard

- Battery power cable
- Enhanced compact microphone
- External speaker 7.5W

#### **Accessory options**

A wide range of accessory options are available to customise your radio

- Microphones and desktop solutions
- In-vehicle accessories
- Mounting kits
- \* For further information, please contact your local dealer or distributor

John Radio, Endless Poss

The GM380, one of the market-leading radios in Motorola's Professional Series, is the choice for professionals requiring sophisticated yet versatile communications. An extensive range of features, user-friendly interface and full keypad and display helps improve efficiency in your mobile workforce.

Option boards and a wide range of accessories and portable radios are also available within the Professional Series. It is easy to build a tailored communications solution to meet your needs.

# **SPECIFICATIONS**

VHF	UHF		
136-174 MHz	403-470 MHz		
±2.5 PPM	±2 PPM		
255			
12.5/20/25 kHz			
1-25W	1-25W		
13.2Vdc (10.8 - 15.6 Vdc) negative vehicle ground			
1-25W: 190 x 185 x 71mm (add 7mm for Volume knob)			
1-25W: 1480g			
-30 to 60°C
